ACTIVITY BOOK

The Hitachi Rail team are headed on an adventure, travelling from Kings Cross to Edinburgh on a brand new, fast Hitachi train! Join our team on their journey, where you can help them to complete some fun activities along the way and learn more about the exciting world of the railway...

Colouring in

The Hitachi Rail team have decided to visit the famous Edinburgh Castle – the home of many kings and queens since the 12th century! Help them get on their way by colouring in the train and station so the team can start their adventure.

Spot the five differences

These pictures of Fizz the engineer look the same, but 5 things are different.

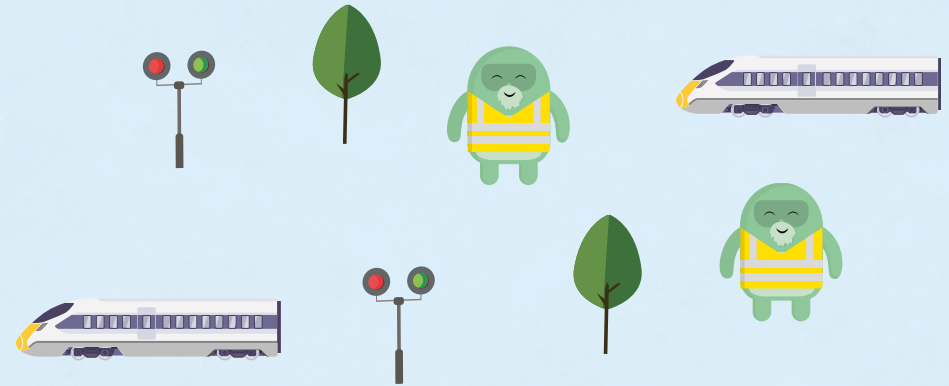

Can you spot them all?

Draw a circle around each difference you find.

Match the items

Draw a line to each matching item on the activity sheet.

Counting

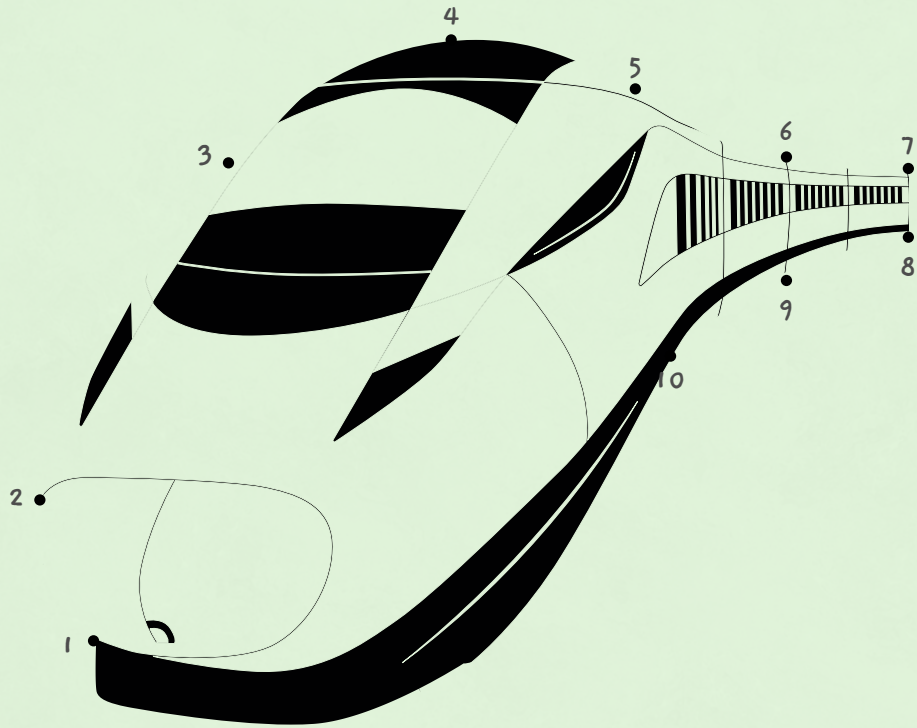

How many train carriages are there?

.....

Join the dots

Follow the numbers 1-10 to complete the train

Maths quiz

Can you help Nelly add up the items below?

$$\text{Train} + \text{Train} + \text{Train} = 3 \quad \text{Train} = \underline{\quad}$$

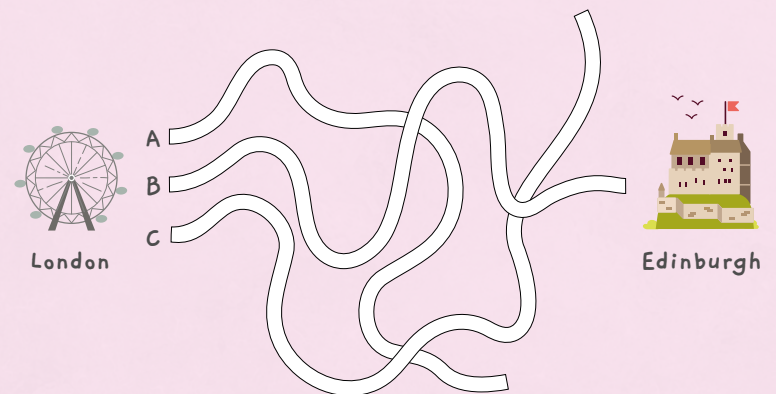

$$\text{Signal} + \text{Signal} + \text{Signal} + \text{Signal} + \text{Signal} = 10 \quad \text{Signal} = \underline{\quad}$$

$$\text{Train} + \text{Signal} + \text{Train} = \underline{\quad}$$

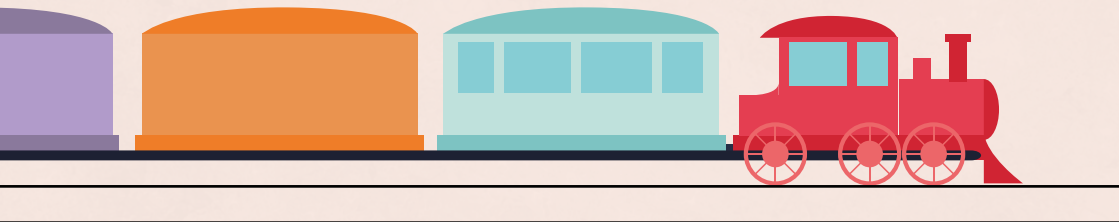

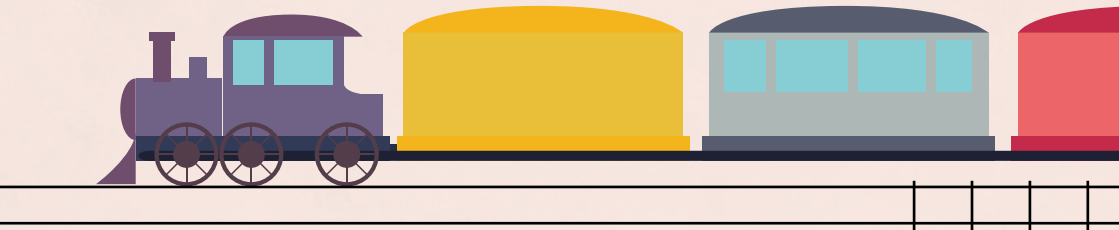

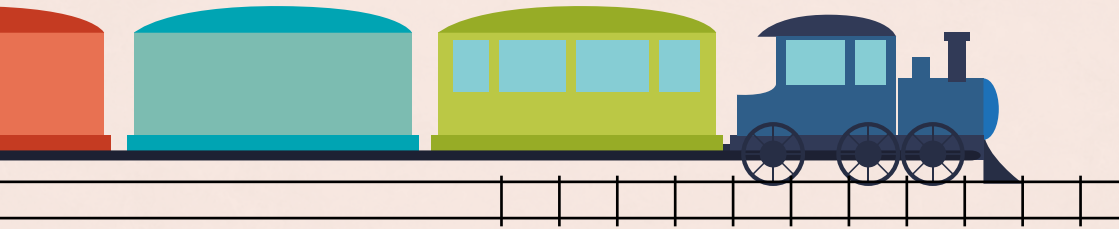

The journey

Draw a line to show the path from London to Edinburgh.

Take the train

Complete the picture with a black pen.
Add wheels and windows to the trains and finish drawing the
train tracks.

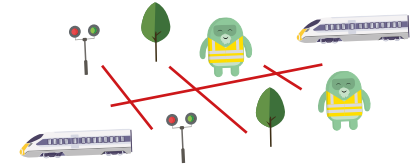

Answers
